

FREQUENTLY ASKED QUESTIONS

1. I got a mail from NJC Labs regarding MuleSoft Developer Accelerator Program. What should I do next?

Go through the details of the mail. To begin with you have been assigned a task. The details of which has been provided in the mail itself. Complete the task and put it on GITHUB and share the link with us.

2. When is the last date for submitting the assignment?

3/12/2020

3. When will the program begin?

The first phase of this program will begin on DEC 1st 2020

4. What is the duration of the whole program?

2-3months

5. What is the timing of the program?

We are working on it. You will be informed shortly. Ideally, we expect you to devote 4hrs every day.

6. Why is this task given to us before the training?

The task given to you is a simple one. This will help us access you better as to where you stand.

7. How do I submit my assignment?

Put it on GITHUB and share the link with us.

8. What should I do after I submit my assignment?

Our trainers will contact you after they get your assignment.

9. I do not know how to perform the task

It's mandatory to get this task done. We want you to have basic programming skills or you should be ready to work hard and navigate the problem at hand. The idea is to see how you handle the problem. So, it's about doing research and solving the problem to best of your ability. We assess various skills while you go through the experience.

10. What are the basic essential prerequisites to join this program?

- a) **Laptop/PC with minimum 8GB RAM.**
- b) **High speed internet connection**
- c) **A daily dedicated 4hrs for this program**

11. Are we charged for this program?

NJC is **NOT** charging you for this program. The cost of the internship program and certification (which would easily come around 7500\$) will be borne by the company.

12. Why is NJC conducting this program for free?

NJC is building a team of Fresh MuleSoft Developers for our upcoming projects in 2021. So our primary goal is to get trained, certified and eligible candidates from this program.

13. In case of any query whom do I contact?

Email to sneha.ek@njclabs.com
